4) If you need to smoke, you can only smoke outside the building, without blocking the entrance door of your building or other buildings, without throwing cigarette butts and respecting a distance of at least 2 meters with any other person.

5) Due to COVID-19 it is not allowed in public spaces (i.e. in the street, in parks, etc.) to be in groups of more than 6 people inside or 8 people in open-air. Therefore, when you walk somewhere (meetings, internships, etc.) please organise yourselves in groups of 6-8 people keeping a separation of about 2 metres from one to another.
